

RESOLUTION NO. 99-17524

A RESOLUTION RELATING TO SPECIAL IMPROVEMENT DISTRICT NO. 1323; DECLARING IT TO BE THE INTENTION OF THE CITY COUNCIL TO CREATE THE DISTRICT FOR THE PURPOSE OF UNDERTAKING CERTAIN LOCAL IMPROVEMENTS AND FINANCING THE COSTS THEREOF AND INCIDENTAL THERETO THROUGH THE ISSUANCE OF SPECIAL IMPROVEMENT DISTRICT BONDS SECURED BY THE CITY'S SPECIAL IMPROVEMENT DISTRICT REVOLVING FUND AND SUPERSEDING AND REPEALING RESOLUTION NO. 96-17146.

BE IT RESOLVED by the City Council of the City of Billings (the "City"), Montana, as follows:

Section 1. Proposed Improvements; Intention To Create District. The City proposes to undertake certain local improvements (the "Improvements") to benefit certain property located in the City. The Improvements consist of providing water mains and services, sanitary sewer mains and services, storm drainage mains and services, curb, gutter, sidewalk, and street improvements to the Burlington Northern Industrial Area (as shown on Exhibit "A"), and as more particularly described in Section 5. The total estimated costs of the Improvements are \$3,126,126.00. The costs of the Improvements are to be paid from the Special Improvement District Bonds and a cash contribution from the City, as described in Section 9 (e). It is the intention of this Council to create and establish in the City under Montana Code Annotated, Title 7, Chapter 12, Parts 41 and 42, as amended, a special improvement district (the "District") for the purpose of financing costs of the Improvements and paying costs incidental thereto, including costs associated with the sale and the security of special improvement district bonds drawn on the District (the "Bonds") , the creation and administration of the District, the funding of a deposit to the City's Special Improvement District Revolving Fund (the "Revolving Fund"). The total estimated costs of the Improvements, including such incidental costs, to be financed by the Bonds are \$2,664,000.00. The Bonds are to be payable primarily from special assessments to be levied against property in the District, which property will be specially benefited by the Improvements in an amount not less than \$2,664,000.00.

Section 2. Number of District. The District, if the same shall be created and established, shall be known and designated as Special Improvement District No. 1323 of the City of Billings, Montana.

Section 3. Boundaries of District. The limits and boundaries of the District are depicted on a map attached as "Exhibit A" hereto (which is hereby incorporated herein and made a part hereof) and more particularly described on "Exhibit B" hereto (which is hereby incorporated herein and made a part hereof) , which boundaries are designated and confirmed as the boundaries of the District. A listing of each of the properties in the District is shown on "Exhibit C" hereto (which is hereby incorporated herein and made a part hereof).

Section 4. Benefited Property. The District and territory included within the limits and boundaries described in Section 3 and as shown on Exhibits "A", "B" and "C" are hereby declared to be the special improvement district and the territory which will benefit and be benefited by the Improvements and will be assessed for the costs of the Improvements as described in Section 7. The property included within said limits and boundaries is hereby declared to be the property benefited by the Improvements.

Section 5. General Character of the Improvements. The general character of the improvements is to provide the following improvements:

Water mains and service lines will be installed in Monad Road, Daniel Street, Charles Street, Bernard Street, Albert Street, South Plainview Street, and the Burlington Northern Railroad right-of-way (adjacent to U.S. Highway 10 and 212).

Sidewalk will be installed on both sides of Monad Road from Edwards Street to the west side of Daniel Street.

Curb and gutter, asphalt surfacing, and base course gravel will be installed in Monad Road from Edwards Street to the east side of S. Plainview Street.

Storm drain mains and service lines will be installed in Daniel Street.

Storm drain inlets and piping will be installed in Daniel Street and Monad Road.

Sanitary sewer mains and service lines will be installed in Daniel Street (between Industrial Avenue and Monad Road), Charles Street (between Industrial Avenue and Monad Road), Monad Road, and Industrial Avenue.

Section 6. Engineer and Estimated Cost. Morrison-Maierle, Inc.; 2020 Grand Avenue; Billings, MT 59102 shall be the engineer for the District. The Engineer has estimated that the costs of the Improvements, including all incidental costs, is \$3,126,126.00.

Section 7. Assessment Methods: Combination of Methods. The costs of the improvements shall be assessed to properties within the District for one or more of 14 Assessment Items as show on Exhibit "D" and shall be based on the actual area, frontage, and utility service connection methods of assessment as described in Sections 7-12-4162, 4163, and 4164, M.C.A., as particularly applied and set forth in this Section 7.

7.01. Actual Area Method

a) Assessment Item #1 is for the installation of a lateral storm drain main in Daniel Street between Monad Road and Industrial Avenue. The total estimated cost of Assessment Item #1 is \$150,663.57 and shall be assessed against each lot, tract or parcel of land fronting Daniel Street between Industrial Avenue and Monad Road for that part of the cost of the Assessment Item #1 improvements that the assessable area of such lot, tract or parcel bears to the total assessable area of all lots, tracts or parcels of land participating in the Assessment Item #1 improvements, exclusive of streets, avenues and alleys. The total assessable area of the Assessment Item #1 properties in the District to be assessed is 711,214 square feet. The cost of Assessment Item #1 improvements per square foot of assessable area shall not exceed \$0.21184. The assessment for each lot, tract or parcel of land for Assessment Item #4 is shown on Exhibit "E", hereto.

b) Assessment Item #4 is the upsizing of water mains from the existing 8-inch size to 12 inches in South Plainview and the replacement of fire hydrants. The total estimated cost of this Assessment Item is \$279,137.10 and shall be assessed against each lot, tract or parcel of land within the District for that part of the costs of Assessment Item #4 that the assessable area of such lot, tract or parcel bears to the total assessable area of all lots, tracts, or parcels of land participating in the cost of Assessment Item #4, exclusive of streets, avenues and alleys. The total assessable area of Assessment Item #4 properties to be assessed is 5,877,808 square feet. The cost of Assessment Item #4 per square foot of assessable area shall not exceed \$0.04749. The assessment for each lot, tract or parcel of land for Assessment Item #4 is shown on Exhibit "E", hereto.

c) Assessment Item #5 is construction of a 12-inch water main in Monad Road and the BN right-of-way. The total estimated cost of Assessment Item #5 improvements is \$274,552.41, and shall be assessed against all properties within the District for that part of the costs of Assessment Item #5, that the assessable area of such lot, tract or parcel bears to the total are of all lots, tracts or parcels of land participating in said Assessment Item #5, exclusive of streets, avenues and alleys. The total assessable area of the Assessment Item #5 properties to be assessed is 5,877,808 square feet. The cost of the Assessment Item #5 improvements per square foot of assessable area shall not exceed \$0.04671. The assessment for each lot, tract or parcel of land for the Assessment Item #5 improvements is shown on Exhibit "E", hereto.

d) Assessment Item #10 is asphalt street improvements Monad Road. The total estimated cost of Assessment Item #10 is \$295,418.63 and shall be assessed against each lot, tract or parcel of land within the District for that part of the cost of the Assessment Item #10 improvements that the assessable area of such lot, tract or parcel bears to the total assessable area of all lots, tracts or parcels of land participating in the Assessment Item #10 improvements, exclusive of streets, avenues and alleys. The total assessable area of the Assessment Item #10 properties in the District to be assessed is 5,877,808 square feet. The cost of Assessment Item #10 improvements per square foot of assessable area shall not exceed \$0.05026. The assessment for each lot, tract or parcel of land for the Assessment Item #10 improvements is shown on Exhibit "E", hereto.

e) Assessment Item #11 is the installation of sanitary sewer mains in Daniel and Plainview Streets between Industrial Avenue and Monad Road, and the easterly portion of Industrial Avenue. The total estimated cost of Assessment Item #11 improvements is \$334,019.22 and shall be assessed against each lot, tract or parcel of land within the District which will have sanitary sewer service provided by the sanitary sewer mains described above for that part of the cost of the Assessment Item #11 improvements that the assessable area of such lot, tract or parcel bears to the total assessable area of all lots, tracts or parcels of land participating in the Assessment Item #11 improvements, exclusive of streets, avenues and alleys. The total assessable area of the Assessment Item #11 properties in the District to be assessed is 1,526,945 square feet. The cost of Assessment Item #11 improvements per square foot of assessable area shall not exceed \$0.21875. The assessment for each lot, tract or parcel of land for the Assessment Item #11 improvements is shown on Exhibit "E", hereto.

f) Assessment Item #12 is the installation of sanitary sewer mains in Charles Avenue between Monad Road and Industrial Avenue. The total estimated cost of Assessment Item #12 improvements is \$91,271.82 and shall be assessed against each lot, tract or parcel of land fronting Charles Street between Monad Road and Industrial Avenue for that part of the cost of the Assessment Item #12 improvements that the assessable area of such lot, tract or parcel bears to the total assessable area of all lots, tracts or parcels of land participating in the Assessment Item #12 properties, exclusive of streets, avenues and alleys. The total assessable area of the Assessment Item #12 improvements in the District to be assessed is 641,765 square feet. The cost of Assessment Item #12 improvements per square foot of assessable area shall not exceed \$0.14222. The assessment for each lot, tract or parcel of land for the Assessment Item #12 improvements is shown on Exhibit "E", hereto.

7.02. Frontage Method

a) Assessment Item #3 is for the cost of an 8-inch water main to provide service to parcels along South Plainview, Albert, Bernard, Charles, and Daniel Streets within the District between Industrial Avenue and the BN right-of-way. The total estimated cost of Assessment Item #3 improvements is \$944,853.14 and shall be assessed against each lot, tract or parcel of land in the District with frontages along those streets, as described above, for that part of the cost of the Assessment Item #3 improvements that the frontage of such lot, tract or parcel bears to the total frontage of all lots, tracts or parcels of land participating in the Assessment Item #3 improvements. The total frontage of the Assessment Item #3 improvements to be assessed is 16,022.80 lineal feet. The cost of the Assessment Item #3 improvements per lineal foot of frontage shall not exceed \$58.96929. The assessment for each lot, tract or parcel of land for the Assessment Item #3 improvements is shown on Exhibit "E", hereto.

b) Assessment Item #8 is for the installation of sidewalk along the Monad Road frontages from Edwards Street to the west side of Daniels Street. The total estimated cost of Assessment Item #8 improvements is \$28,158.40 and shall be assessed against each lot, tract or parcel of land, as described above, for that part of the cost of the Assessment Item #8 improvements that the frontage of such lot, tract or parcel bears to the total frontage of all lots, tracts or parcels of land participating in the Assessment Item #8 improvements. The total frontage of the Assessment Item #8 improvements to be assessed is 808 lineal feet. The cost of Assessment Item #8 improvements per lineal foot of

frontage shall not exceed \$34.84951. The assessment for each lot, tract or parcel of land for the Assessment Item #8 improvements is shown on Exhibit "E", hereto.

c) Assessment Item #9 is for the installation of curb and gutter along both sides of Monad Road from Edwards Street to the east side of S. Plainview Street. The total estimated cost of Assessment Item #9 improvements is \$83,493.59 and shall be assessed against each lot, tract or parcel of land as described above, for that part of the cost of the Assessment Item #9 improvements that the frontage of such lot, tract or parcel bears to the total frontage of all lots, tracts or parcels of land in the District participating in the Assessment Item #9 improvements. The total frontage of the Assessment Item #9 properties to be assessed is 4,024.87 lineal feet. The cost of Assessment Item #9 improvements per lineal foot of frontage shall not exceed \$20.74442. The assessment for each lot, tract or parcel of land for the Assessment Item #9 improvements is shown on Exhibit "E", hereto.

7.03. Utility Service Connections Method

a) Assessment Item #2 is for new storm drain services from the new storm drains constructed under Assessment Item #1. The total estimated cost of Assessment Item #2 improvements is \$9,957.00 and shall be assessed against each lot, tract or parcel of land in the District which receives a new storm drain service extension. The total number of storm drain services extended under Assessment Item #2 to be assessed is six. The cost of the Assessment Item #2 improvements per service shall not exceed \$1,659.50. The assessment for each lot, tract or parcel of land for new storm drain services extended under Assessment Item #2 improvements is shown on Exhibit "E", hereto.

b) Assessment Item #6 is to provide new water service extensions for those parcels that currently lack a water service extension. The total estimated cost of Assessment Item #6 improvements is \$11,984.40 and shall be assessed against each lot, tract or parcel of land in the District which receives a new water service. The total number of new water services to be provided under the Assessment Item #6 improvements is nine. The cost of Assessment Item #9 improvements per service provided shall not exceed \$1,327.60. The assessment for each lot, tract or parcel of land which receives a water service extension under Assessment Item #6 is shown on Exhibit "E", hereto.

c) Assessment Item #7 is to reconnect existing water services to the water mains being constructed under Assessment Items #3-5. The total estimated cost of Assessment Item #7 improvements is \$129,844.13 and shall be assessed against each lot, tract or parcel of land in the District which has an existing water service reconnected. The total number of reconnected water services in the District to be assessed is 78. The cost of the reconnected water service improvements to be assessed under Assessment Item #7 shall not exceed \$1,664.67. The assessment for each lot, tract or parcel of land which receives a reconnected water service under the Assessment Item #7 improvements is shown on Exhibit "E", hereto.

d) Assessment Item #13 is for new sanitary sewer services extended to the property line of properties for new sanitary sewer lines being constructed under Assessment Items #11 and 12. The total estimated cost of Assessment Item #13 improvements is \$5,808.25 and shall be assessed against each lot, tract or parcel of land in the District which receives a new sanitary sewer service extension under Assessment Item #13. The total number of new sanitary sewer service extensions under Assessment Item #13 to be assessed is five. The cost of the Assessment Item #13 improvements per new sanitary sewer service extended shall not exceed \$1,161.65. The assessment for each lot, tract or parcel of land which receives a new sanitary sewer service extension under Assessment Item #13 improvements is shown on Exhibit "E", hereto.

e) Assessment Item #14 is for the reconnection of existing sanitary sewer services to the sanitary sewer mains being constructed under Assessment Items #11 and 12. The total estimated cost of Assessment Item #14 improvements is \$24,874.34 and shall be assessed against each lot, tract or parcel of land in the District which receives a reconnected sanitary sewer service under Assessment Item #14. The total number of reconnected sanitary sewer service extensions under Assessment Item #14 to be assessed is 15. The cost of the Assessment Item #14 improvements per reconnected

sanitary sewer service is \$1,658.29. The assessment for each lot, tract or parcel of land for properties which receive a reconnected sanitary sewer service under Assessment Item #14 improvements is shown on Exhibit "E", hereto.

7.04. Assessment Methodologies Equitable and Consistent with Benefit. This Council hereby determines that the methods of assessment and the assessment of costs of the specific Improvements against the properties benefited thereby as prescribed in this Section 7 are equitable and in proportion to and not exceeding the special benefits derived from the respective Improvements by the lots, tracts and parcels to be assessed therefore within the District.

Section 8. Payment of Assessments. The special assessments for the costs of the Improvements shall be payable over a term not exceeding fifteen (15) years, each in equal semiannual installments of principal, plus interest, or equal semiannual payments of principal and interest, as this Council shall prescribe in the resolution authorizing the issuance of the Bonds. Property owners have the right to prepay assessments as provided by law.

Section 9. Method of Financing; Pledge of Revolving Fund; Findings and Determinations. The City will issue the Bonds in an aggregate principal amount not to exceed \$2,664,000.00 in order to finance the costs of the Improvements. Principal of and interest on the Bonds will be paid from special assessments levied against the property in the District. This Council further finds it is in the public interest, and in the best interest of the City and the District, to secure payment of principal of and interest on the Bonds by the Revolving Fund and hereby authorizes the City to enter into the undertakings and agreements authorized in Section 7-12-4225 in respect of the Bonds.

In determining to authorize such undertakings and agreements, this Council has taken into consideration the following factors as shown on Exhibit "F":

(a) Estimated Market Value of Parcels. The estimated market value of the lots, parcels or tracts in the District as of the date of adoption of this resolution, as estimated by the GIS System in Yellowstone County ranges from \$19,423.00 to \$7,123,578.00 with an average market value of \$564,083, a median market value of \$233,941, and a total market value of \$34,973,171.00. All but one of the properties are zoned for industrial uses and it is anticipated that once the Improvements are completed, the unimproved lots, tracts or parcels will be sold for development and improvement, which improvements will further increase the market value of these properties. The estimated market value of the lots, parcels, or tracts after the Improvements have been completed, as estimated by the Engineer, based on the current market values of the properties for property tax purposes will increase as a result of the Improvements in an amount not less than the amount of proposed assessment for each lot, tract or parcel of land. The special assessments to be levied under Section 7 against each lot, parcel or tract in the District is less than the increase in estimated market value of the lot, parcel or tract as a result of the construction of the Improvements.

(b) Diversity of Property Ownership. There are 69 parcels to be assessed within the District. The total number of property owners within the District is 44. Of the 69 parcels in the District, 5 are currently undeveloped. These 5 parcels represent an area of 725,271 square feet, or approximately 12% of the total assessable area.

(c) Comparison of Special Assessments and Property Taxes and Market Value. Based on an analysis of the aggregate amount of the proposed and any outstanding special assessments (whether or not delinquent) and any delinquent property taxes (as well as any known industrial development bonds theretofore issued and secured by a mortgage against a parcel in the District) against each lot, parcel or tract in the District in comparison to the estimated market value of such lot, parcel, or tract after the Improvements, the City concludes that the estimated market value of the lots, tracts or parcels of land in the District exceeds the sum of special assessments, delinquent property taxes, current property taxes.

(d) Delinquencies. An analysis of the amount of delinquencies in the payment of outstanding special assessments or property taxes levied against the properties in the District shows that of the 69 properties, only one has delinquencies in past tax or special assessment payments. The total delinquency is \$942.80.

Currently, there are no SID's affecting the properties in the District.

Based on this information, it is unlikely that a financial difficulty will arise, making it unlikely that a revolving fund loan will be required.

(e) The Public Benefit of the Improvements. The total estimated cost of installing these public improvements is \$3,126,126.00, \$2,664,000.00 of which will be recovered through direct assessments to property owners within the District. The remainder of the costs of the improvements (\$462,126.00) shall be by cash contribution by the City of Billings. The public improvements contemplated under the terms of this proposed District include those improvements as outlined in Section 5.

The water improvements being constructed under this District are being done to either; 1) be brought into compliance with current, minimum, City of Billings standards, or 2) to provide water service to properties within the District which currently do not have these improvements. In the first case, the majority of the existing water mains within the District are not owned by the City of Billings but are currently being maintained by the Public Utilities Department. The improvements contemplated under this District would meet City of Billings requirements and would allow these improvements to be properly maintained and operated by the City's Public Utilities Department. This will result in, among other things, consistent, reliable operation and maintenance of the improvements, reliability of service to properties within the District due to multiple points of service, improved and consistent water pressures, and significantly increased reliability of fire flows for properties within the District.

In the second case, nine properties currently do not have water service. Improvements constructed under this District would extend water service to these parcels.

Similar to the water mains, the sanitary sewer mains are currently not owned by the City of Billings. The improvements contemplated under this District would bring the sanitary sewer mains into compliance with City of Billings Public Utilities Department standards, and would, thereafter, be maintained and operated by the City of Billings. This will result in, among other things, reliability of sanitary sewer service and consistent, reliable operation and maintenance of these sanitary sewer mains.

The street, curb, gutter and sidewalk improvements to be constructed on Monad Road will bring this arterial roadway into compliance with the City of Billings Subdivision Ordinance and transportation plans.

Finally, the improvements constructed by this District will satisfy the requirements of the Subdivision Improvements Agreements for the 21 Filings, with subsequent amendments, of the Burlington Northern Subdivision.

Section 10. Public Hearing; Protests. At any time within fifteen (15) days from and after the date of the first publication of the notice of the passage and approval of this resolution, any owner of real property within the District subject to assessment and taxation for the cost and expense of making the Improvements may make and file with the City Clerk until 5:00 p.m., M.T., on the expiration date of said 15-day period (**November 19, 1999**), **written** protest against the proposed Improvements, or against the extension or creation of the District or both, and this Council will at its next regular meeting after the expiration of the fifteen (15) days in which such protests in writing can be made and filed, proceed to hear all such protests so made and filed; which said regular meeting will be held on Monday, November 22, 1999, at 7:30 o'clock p.m., in the Council Chambers, located on the Second Floor of the Police Facility at 220 North 27th Street, in Billings, Montana.

Section 11. Notice of Passage of Resolution of Intention. The City Clerk is hereby authorized and directed to publish or cause to be published, on November 4 and November 11, 1999, a copy of a Notice of the passage of this Resolution in the Billings Times, a newspaper of general circulation in the county of Yellowstone, and the City of Billings, in the form and manner prescribed by law, and to mail or cause to be mailed a copy of said Notice to every person, firm, corporation, or the agent of such person, firm, or corporation having real property within the District listed in his or her name upon the last completed assessment roll for state, county, and school district taxes, at his last-known address, on or before the same day such notice is first published.

Section 12. Repealer. Resolution No. 96-17146 is hereby superseded and repealed.

PASSED AND ADOPTED by the City Council of the City of Billings, Montana, this 25th day of October, 1999.
