### **SECTION 27-1610 ACTION BY REVIEW AND DECISION-MAKING BODIES**

#### **A. ADMINISTRATIVE DECISIONS**

For procedures where the zoning coordinator serves as the decision-making authority, the zoning coordinator shall make a decision according to the following steps:

##### **1. Review**

- (a) The zoning coordinator shall review the application for conformance with all applicable provisions of this Zoning Code.
- (b) Within the timeframe specified by the application type, or 15 business days of the filing date if no timeframe is specified, the zoning coordinator shall approve or deny the application and provide written notification of the decision to the applicant. If an application is denied, the written notification shall include the reasons for denial.

##### **2. Review Criteria**

When the zoning coordinator has the authority to decide an application, except in the case of an interpretation, the application shall be reviewed against the applicable provisions of this Zoning Code. To be approved, an application shall be fully consistent with the standards of this Zoning Code unless administrative relief is concurrently approved to allow specified deviation from applicable standards. An administrative approval may include instructions and clarifications regarding compliance with this Zoning Code, but shall not be

approved with conditions that require action beyond the specific requirements of this Zoning Code.

#### **B. COUNTY ZONING COMMISSION**

The zoning commission shall review and take action upon each application in accordance with the provisions of this article and after a public hearing at which the application has been legally advertised.

1. The zoning coordinator shall present each application, together with the staff report, to the zoning commission.
2. The zoning commission may, by a majority vote of the members present, delay action to the next available public meeting of the commission without prejudice to the applicant.
3. A report of the commission's recommendation and the zoning coordinator's findings and conclusions shall be submitted to the County Commission.
4. The zoning commission shall make a recommendation to the County Commission to:
  - (a) Zone changes: Grant or deny the application;
  - (b) Special review applications: Grant, condition, or deny the application.
  - (c) Request to withdraw an application after the zoning commission's hearing: allow or refuse withdrawal
5. The zoning commission shall submit its recommendations and, where appropriate, conditions in writing along with a statement indicating its reasons for the recommendation to grant, condition, deny, or allow withdrawal of the amendment within 15 business days following the public hearing.

#### **C. COUNTY COMMISSION ACTION**

Before taking any action on an application, the County Commission shall first consider the findings and recommendations of the zoning commission. The County Commission shall:

1. Approve the application, either as submitted for zone change applications, or with conditions for special review applications;
2. Deny the application;
3. Allow withdrawal of the application; or
4. Delay the application to a future commission meeting date certain.

### **SECTION 27-1611 POST-REVIEW ACTIONS**

#### **A. SUCCESSIVE APPLICATIONS**

No application for zone change, special review, or variance on the same request nor one involving the same tract shall be permitted within one year of an application denial. Amendments

1. All substantial changes, modifications, removal, or release of the provisions of an approved application that do not qualify for administrative relief under Section 27-1611.C.2 shall be considered amendments. Amendments shall include, but are not be limited to, changes in use, access, layout, any condition of approval, any change resulting in significant increased off-site impacts, and similar changes as determined by the zoning coordinator.

2. For purposes of review and scheduling, proposed amendments are treated as new applications subject to the applicable procedures and review criteria set forth in this article unless otherwise noted in the specific review procedures.

## **B. MODIFICATION OF APPROVALS**

### **1. Application**

### **2. Review and Determination of Major/Minor Modification Status**

Applications for modification shall be reviewed by the zoning coordinator to determine whether the proposed modifications constitute a major or minor revision to the existing approval.

(a) Minor modifications are those that qualify for administrative relief pursuant to Sec. 27-1614 or modification to an application that was approved administratively.

(b) Major modifications are those that do not qualify for administrative relief pursuant to Sec. 27-1614, request for modification to a special review approval, or request for modification to a condition established by the County Commission.

### **3. Action by Decision-Making Body**

(a) Applications for minor modifications shall be treated as applications for administrative relief.

(b) The zoning coordinator may require that an application for administrative relief be treated as an application for a major modification if the zoning coordinator determines that the application raises a significant public controversy in which numerous parties other than the owner of the property may want to offer testimony. Applications for major modifications shall be treated as new applications for an approval of the same type being modified, unless the zoning coordinator determines that an application for modification of is not consistent with an approved preliminary plan or plat for the property, as applicable. If so, the zoning coordinator shall inform the applicant that a new application will need to be submitted.

### **4. Effect of Modification**

If approved, the modification shall then supersede the previous approval, and subsequent development on the property shall be in accord with the amended approval.

## **SECTION 27-1612 LAPSING AND EXTENSION OF APPROVALS**

Approvals granted under this Zoning Code terminate if unused by the applicant after a reasonable period of time.

### **A. LAPSE**

#### **1. Administrative Approval and Permits**

Except where a different timeframe is provided in a specific procedure or application approval, an administrative approval or zoning compliance permit granted under this Zoning Code shall lapse and shall become void one year following the date of final approval

**2. Approvals Subject to Public Hearing**

- (a) A zone change is not subject to lapsing.
- (b) Any approval made through a public hearing process shall not lapse pursuant to this section unless the approval was not a zone change and the County Commission, or board of adjustment established a specific time limit for the approval.

**B. EXTENSION**

- 1. An approval that is subject to lapsing may be extended one time by the zoning coordinator for a period of time not to exceed six months. Applicants who require a second extension shall make the second extension request of the body that issued the original approval, which may also be a second request to the zoning coordinator if the zoning coordinator issued the original approval. The total time approved for extensions may not exceed one year.
- 2. All requests for extensions should be submitted to the zoning coordinator in writing at least 30 days prior to the expiration of approval.
  - (a) An extension request shall include payment of required fees and written description of the reasons for the applicant's inability to comply with the specified deadlines, listing any changes in the character of the neighborhood, any changes to the growth policy or this Zoning Code that have occurred since approval of the permit/plan as these changes affect the permit/plan, and the anticipated time schedule for completing the review project and/or the specific project.
  - (b) Additional review of the permit/plan may result in additional conditions.
- 3. If an application lapses at the end of an extension period, the applicant may re-submit a new application, subject to the fees and regulations in effect at the time of re-submittal, for the same project.

**SECTION 27-1613 OTHER PERMITS AND APPROVALS STILL NECESSARY**

There are also a limited number of specific uses that may or may not be appropriate in a particular district, depending upon all the circumstances of the individual use on the site and in context with surrounding development. Consideration of these uses includes examination of the location, nature of the proposed use, the character of the surrounding development, traffic capacities of adjacent streets, and potential environmental effects, and whether specific conditions can be applied to mitigate the potential negative impacts of the use. Special review uses are special exceptions to the general terms of this Zoning Code.
1. It is the intent of this section to provide a system of review of such uses so that the community is assured that the uses are compatible with their locations and with surrounding land uses, and will further the purpose of this Zoning Code and the objectives

of the County growth policies. Only those uses identified as special review uses in Table 27-1000.1 may be approved pursuant to these procedures. If the zoning coordinator determines that a desired use is not included within the definition of a use listed as a special review use in Table 27-1000.1, then the desired use may only be approved if:
